An Honorary Member is a group leader/instructor who has not registered for any other course or a person who has volunteered for office work or other duties only.

Aims and Objectives

The purpose of this Association is to advance the intellectual and cultural interests for retirees through

- Both mental and physical activity
- The satisfaction of contributing to society
- Discovering new interests and extending their old interests
- Working with others to improve the status, well-being and position of older people in our community
- Sharing with others, the skills, experience and expertise gained during their lifetime
- Experiencing the joy of learning
